Welcome!

Dear Friends:

Thank you for joining us for the Edgewater Dragon Boat Challenge. It has been my pleasure to serve as Chairman of this event celebrating Asian culture, and on behalf of Webster's new water-oriented community, Edgewater, welcome! We're glad you're here!

We are delighted that Edgewater has been chosen by the Texas Dragon Boat Association to bring such a unique festival to the Bay Area. We appreciate our partnership with such a unique organization whose mission is to promote the tradition of dragon boating, increase awareness of Asian and Asian-American culture, and enhance cross-cultural understanding.

On April 9th, you'll have the opportunity to experience a cultural celebration filled with shopping, Asian cuisine, professional kite flying, and of course, the highlight of the day: dragon boat racing. The races will take place in one of the highlights of Edgewater: our own marina, which is in its first phase of development. We are thrilled to host this unique tradition in our marina and are anxious to share the new Edgewater community with all of our guests.

There's truly something for every member of the family to enjoy at the Edgewater Dragon Boat Challenge. We hope you enjoy the festival, and thank you for joining us as we celebrate Asian heritage.

Sincerely,

Bob Douglas

Vice President – General Manager, Bay Area Communities
Chairman, Edgewater Dragon Boat Challenge

Dear Friends:

Welcome to the Edgewater Dragon Boat Challenge – a day-long festival celebrating Asian culture. We are honored to serve as the Honorary Co-Chairs of this unique event being held for the first time in the Bay Area.

Scheduled for Saturday, April 9th, at Johnson Development Corporation's newest Master Planned Community in Webster - Edgewater - the Edgewater Dragon Boat Challenge will feature arts & crafts, Asian cuisine, a special appearance by the Houston Aeros' cheerleaders, cultural performances, professional kite flying, and of course, dragon boat racing.

Dragon boat racing combines tradition with modern day teamwork, enthusiasm, and strategy. The Texas Dragon Boat Association provides traditional boats each carrying 20 paddlers, a drummer and a steersperson all working together as a team to be the first to cross the finish line in beautiful, ornate, 1,000 pound dragon boats. The organization is a non-profit whose mission is to promote the tradition of dragon boating, increase awareness of Asian and Asian-American culture, and enhance cross-cultural understanding.

Entertaining, family-oriented fun is the theme for April 9th. We hope you enjoy the Edgewater Dragon Boat Challenge, and we thank you for joining us in this celebration of Asian heritage.

Sincerely,

Barbara Cutsinger
